

Integration not Segregation

"You'd struggle to find another fishery so thoughtfully designed for disabled and elderly anglers"

*"Improve your coarse fishing"
August 2007*

Teglau provides the discerning angler with a choice of two lakes within a truly beautiful and peaceful setting.

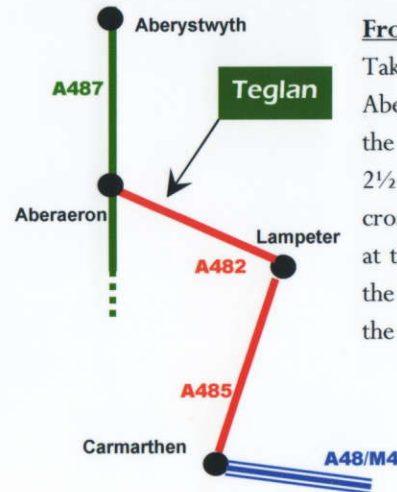

This complex, purpose built with both disabled and able-bodied anglers in mind, features smooth and level tarmac paths and pegs, new-build disabled toilets and a fully fitted kitchen.

For the holiday-maker who forgot to pack, we can supply all the equipment you need to fish at Teglau and likewise, true beginners can also gain benefit from our free and friendly instructors.
